

Cookies Notice

Last Updated: 16 March 2026

This Cookies Notice explains how Lords Group companies use cookies and similar technologies when you visit our website.

What Are Cookies

Cookies are small text files that are placed on your device when you visit a website. They are widely used to enable websites to function properly, improve user experience and provide information to website operators about how the site is used.

Cookies may collect information such as:

- IP address
- browser type
- pages visited
- time spent on pages
- referring websites

Most web browsers automatically accept cookies, but you can choose to modify your browser settings to decline cookies if you prefer.

How We Use Cookies

We use cookies to:

- ensure the website functions correctly
- remember your cookie preferences
- help protect the website from malicious activity
- analyse how visitors use the website so that we can improve its performance and usability

Cookies Used on This Website

Cookie Consent Cookie

Cookie Name	Purpose
Cookieconsent_status	Stores whether a user has accepted the use of cookies on the website.

Further information about cookies can be found at: www.allaboutcookies.org

Analytics Cookies

We use Google Analytics to help us understand how visitors interact with our website.

Cookie Name	Purpose
_ga, _gat_gtag, _gid	Collect information about how visitors use our website. This helps us compile reports and improve website performance.

The information collected by these cookies is generally aggregated and anonymised.

Further information about how Google uses data collected from sites that use its services can be found here: <https://policies.google.com/privacy>

Security Cookies

We use security services provided by **Cloudflare** to help protect our website from malicious activity.

Cookie Name	Purpose
__cf_bm	Used to identify malicious visitors and reduce the likelihood of legitimate users being blocked.

These cookies are necessary for website security and performance.

Managing Your Cookie Preferences

Most web browsers allow you to control cookies through their settings. You can usually configure your browser to:

- refuse all cookies
- accept only certain cookies
- delete cookies already stored on your device

Information on how to manage cookies in common browsers can be found at:

<https://www.allaboutcookies.org/manage-cookies/>

You can also visit your browser's help pages for further guidance.

Please note that if you disable certain cookies, some parts of the website may not function correctly.

Updates to This Notice

We may update this Cookies Notice from time to time to reflect changes in the technologies we use or changes in legal requirements. The latest version will always be available on this website.
